DESCRIPTION

Luxury Villa Fokia is a beautiful nine-bedroom residence in Kilada, near Porto Heli. Completed in 2019, this elegant villa combines contemporary design with classic Greek comfort. It offers a wonderful setting for families and friends, with generous indoor and outdoor spaces.

Set within a gated landscaped estate, the villa enjoys a lovely position close to two sandy beaches. Panagitsa Beach is just 40 metres away, while the family-friendly Vrochitsa Beach is approximately 250 metres away. Both sit within sheltered coves along the Argolic Gulf. The interiors are comfortably furnished, while air conditioning is available throughout. An elevator also connects all levels, making it easy to move around the property.

For outdoor dining, guests can make use of the BBQ facilities. The property's sports facilities provide further opportunities to stay active, with a tennis court, basketball court and beach volleyball court.

Wellness and Leisure
