### DESCRIPTION

#### Caribe House

The Caribe House holds a living room, dining room for 10 plus seating for 4 at the kitchen island, fully equipped kitchen, outdoor pool kitchen, entertainment area with plasma TV and DVD library, wireless internet, a spacious verandah overlooking the sea, plus a deck surrounding the pool. Guests have a choice of dining inside or outside. This Virgin Gorda villa rental is beautifully appointed with upscale furnishings in every room. The main villa has three bedrooms, with spectacular views of beaches, BVI islands, and the turquoise Caribbean Sea.

A cozy sitting area features an entertainment center with a Satellite Radio & iPod dock, plus a Plasma TV with VCR and DVD player hidden in the armoire. There is an extensive DVD library for adults and children. This luxury Virgin Gorda villa is truly your dream come true!

#### Main Level

The Caribe Great Room, gourmet kitchen, dining area and spacious seating areas in the living room offer the opportunity to gaze out to sea. Also, the Caribe 1 Bedroom Suite offers two queen beds, a private deck, and an en suite bath with an al fresco shower. The new horizon pool is the centerpiece, including a poolside kitchenette, professional gas grill and a guest bathroom. Surrounding patios and the covered verandah offer guests panoramic views and the glorious sunsets for which the villa is well known.

#### Upper Level

A private staircase leads to the private Caribe 2 King Suite. The suite is decorated in bright Caribbean colors. There are amazing views from the highest point in the villa. Sitting on your chaise lounge in the suite or outside your private deck gives you two ideal locations to relax, and the al fresco shower also has commanding views of the sea.

#### Lower Level

The spacious Caribe 3 Suite is a king bedroom with a 4-poster bed and seating area, plus a kitchenette. A comfortable sofa/day bed is convenient for a young child wishing to sleep in your room. Enjoy the al fresco shower and private deck with outstanding views.

#### Waterfront Relaxation

Walk down a private stone staircase to the Caribbean Sea through the Frangipani and Gumbo-limbo trees to a special waterfront location: a verandah with pergola, chaises, and a kayak house with six double kayaks for your paddling pleasure. It's just a two-minute paddle to the pure sands of Pond Bay and Savannah Bay Beaches! Or swim and snorkel to these beaches from A Dream Come True Villa's private waterfront location. Often you'll be the only ones there, in paradise.

#### Bali Wing

The Bali Wing is separated from the main villa by a patio deck and infinity pool. When you stay at A Dream Come True Villa, you always have exclusive use of the villa no matter the size of your group. This section of the villa has two bedrooms: Bali #1 and Bali #2. Each bedroom has its own spacious bath, al fresco shower and deck or patio, all featuring magnificent vistas. These bedrooms are decorated in an exotic Bali theme. All bedrooms have similar views.

All bedrooms have outdoor decks except for Bali #1 which has a patio area. We recommend this bedroom for children because it does NOT have a slider to a deck, but a patio area instead.
