DESCRIPTION

Luxury Saint-Tropez Villa with Tennis Court and Heated Pool

Villa Beau is an elegant Saint-Tropez villa set within three hectares of beautifully landscaped Mediterranean gardens. Surrounded by olive, lemon, lime, and chestnut trees, this Provençal retreat offers spectacular views across the Gulf of Saint-Tropez while providing complete peace and privacy.

Sleeping up to 16 guests across the main house and guest accommodation, Villa Beau is perfect for large families and groups. Despite its tranquil setting, the vibrant restaurants, boutiques, and beaches of Saint-Tropez are only a short drive away.

Eight Beautiful Bedrooms

Villa Beau offers eight comfortable bedrooms spread between the main house and three independent guest studios.

On the ground floor of the main house, a family suite includes a queen bedroom alongside a second bedroom with a single bed and cot. Together, they share a spacious family bathroom, making this area ideal for guests travelling with young children.

Additionally, two further queen bedrooms enjoy independent access from the terrace. Each bedroom benefits from its own en-suite bathroom for added privacy.

The first floor is dedicated to the impressive master suite. It features a super king-size bed, a luxurious en-suite bathroom, and wonderful views across the gardens and surrounding countryside.

Across the pool, the separate guest house provides three independent studio suites. Two feature king-size beds, with one offering twin-bed flexibility, while the third includes a queen-size bed. Each studio also benefits from an en-suite shower room, a kitchenette, air conditioning, and a private outdoor terrace.

Elegant Living Spaces

Villa Beau combines traditional Provençal charm with spacious living areas designed for relaxation.

Guests enter through a welcoming drawing room that leads to the formal dining room and a

fully equipped kitchen. Meanwhile, the spacious sitting room opens onto a beautiful glass conservatory. During the summer months, the windows and roof can be fully opened, creating a seamless connection between the indoor and outdoor living spaces.

The villa also includes a separate television room with comfortable sofas, a desk, computer, and printer. In addition, a fully equipped utility room provides extra refrigeration, laundry facilities, and practical storage for longer stays.

Heated Pool, Tennis Court and Mediterranean Gardens

The exceptional outdoor spaces make Villa Beau ideal for enjoying the French Riviera lifestyle. The heated private swimming pool is surrounded by immaculate gardens, offering peaceful places to relax throughout the day.

Furthermore, guests can enjoy a private tennis court set within the estate, making it easy to stay active while surrounded by beautiful scenery.

Several terraces provide wonderful spaces for outdoor dining, morning coffee, or evening drinks while admiring the panoramic views across the Gulf of Saint-Tropez.
