DESCRIPTION

Souda Bay Villa with Jacuzzi

This Souda Bay villa with Jacuzzi offers a sleek and modern retreat with panoramic views of the sea, city lights, and the White Mountains. Villa Labahoula stands on the hill opposite Souda Bay, where guests can enjoy the full beauty of Cretan nature. As a result, it works beautifully for families or groups who want relaxation, style, and impressive scenery.

The villa has five bedrooms, all with king-size beds, Sealy mattresses, satellite TVs, air conditioning, and modern en-suite bathrooms. This Souda Bay villa with Jacuzzi also includes a spacious open-plan living area, fully equipped kitchen, balcony Jacuzzi, walk-in closet, large outdoor areas, built BBQ, dining space, and high-quality sun loungers.

The setting feels peaceful, yet it remains full of life and atmosphere. Therefore, guests can enjoy calm sea views by day and sparkling bay lights by night.

Bedrooms and Bathrooms

Villa Labahoula includes five double bedrooms. Each one features a king-size bed with a soft, anatomic Sealy mattress for a restful sleep.

The velvet beds feel luxurious, modern, and comfortable. Moreover, every bedroom has its own matching bathroom with shower and a distinct design.

All rooms include satellite TV and air conditioning. As a result, guests can enjoy privacy, comfort, and cool interiors throughout their stay.

Master Bedroom with Jacuzzi Balcony

The master bedroom is located on the first floor and measures 30 sq. m. It includes a large bathroom with double sink, marble finishes, and a walk-in closet.

This room also opens onto the balcony, where a large Jacuzzi offers the best view of the property. Therefore, it is a perfect place for quiet moments above the bay.

One more modern double en-suite bedroom is located on the same level. Together, these first-floor rooms offer privacy and elevated views.

Living Room and Kitchen

On the ground level, the living room includes a U-shaped comfortable sofa, modern seating furniture, and a large mirrored table. The all-white design creates a bright and airy summer atmosphere.

Double-height windows frame the view and create the feeling of being on board. In addition, blackout rollers can close the space when guests want shade or rest.

The open kitchen is next to the living room and has plenty of storage space. It includes all necessary appliances and a low island with stove and seating, making it ideal for chef evenings and longer stays.

Outdoor Dining and Bay Views

The outdoor area is one of Villa Labahoula's greatest highlights. It is spacious, stylish, and designed for long days and evenings outside.

Modern double sun loungers with mattresses, sofas, and chairs are arranged around the terrace. Moreover, a dining table beside the built BBQ creates the perfect setting for meals with friends and family.

With its Souda Bay views, White Mountain backdrop, five king bedrooms, Jacuzzi balcony, modern bathrooms, open kitchen, double-height windows, spacious terrace, BBQ, sun loungers, and sparkling night scenery, Villa Labahoula offers a unique and luxurious Cretan escape.
