ALILA

Luxury Villa Living

Alila

Designed by accomplished architect, Michael Gomes, Alila is nothing short of an exclusive luxury retreat. Themed with Balinese-inspired elements in earthy hues with pops of colour in the bedrooms, the open plan structure seamlessly breaks down the boundaries between the enclosed courtyard garden and the relaxing pool deck.

4 Bedrooms
Sleeps 8
Located on Sandy Lane Estate, Barbados

DESCRIPTION

The scene is set from the moment you enter this private escape. The steady hum of the shak-shak trees blowing in the wind, the trickling of the bowl-shaped outdoor fountain and the calming effect of the sweetly scented, lush Caribbean flora provide the perfect frame to Alila's Zen-like Balinese interior.

Approach the courtyard via a dark wood walkway overlooking a meandering Oriental koi pond and relax in the breezy lounge, or enjoy a meal prepared by your private chef in the elevated dining area that comfortably seats 8-10 people.

Guests who wake up in one of the three downstairs bedrooms, each with its own air condition, iPod dock and en-suite bathroom, will find themselves just steps away from the saline infinity pool and spacious deck and a shady raised gazebo that accommodates 6-8 guests for sunset cocktails overlooking the stunning West Coast.

If you'd like a change in scenery, explore the acre and a quarter of picturesque gardens or take a rest in the cosy, surround-sound media room, outfitted with a flat screen TV, games and books.

The entire upper level is dedicated to the sprawling master suite which includes his and hers dressing room, double vanity wash basins, a rain shower wet room and a vintage private outdoor free standing tub. Lounge on the master terrace while enjoying the stunning vista of the Caribbean Sea in the distance.

Alila offers the perfect combination of serenity, luxury, breathtaking views and modern comforts— a true gem in the exclusive Sandy Lane neighbourhood.
