Luxury Villa in Zante with Private Pool

This luxury villa in Zante with private pool offers a peaceful summer stay surrounded by lush greenery. Villa Giraffe combines outdoor seclusion, sea views, minimal design, and comfortable home amenities. As a result, guests can enjoy a calm Ionian Sea vacation with space to relax indoors and outdoors.

The villa includes three bedrooms and three bathrooms, which makes it practical for families, couples, or small groups. In addition, all rooms are air-conditioned for comfort during warm summer days. A baby cot and highchair can also be provided for guests travelling with young children.

This luxury villa in Zante with private pool offers a private swimming pool, lawn garden, shaded dining area, charcoal BBQ, and parking for four cars. Meanwhile, the terrace and upper-level balconies give guests lovely views towards the sea.

Pool, Garden and Outdoor Living

The outdoor area invites guests to slow down and relax. The private swimming pool measures 30 sq. m. and creates a refreshing place to enjoy the Mediterranean sun.

Sun loungers, sun beds, and umbrellas surround the pool. Therefore, guests can sunbathe, read, or rest in comfort throughout the day.

The outdoor shower adds extra convenience after a swim. Moreover, the private garden with lawn gives children space to run, play, or relax in the shade.

Shaded Dining and Charcoal BBQ

The outdoor lounge and dining areas offer comfortable spaces for meals and drinks. A shaded dining area with table and chairs creates a pleasant spot for alfresco dining.

Guests can use the charcoal BBQ to prepare relaxed meals for family or friends. As a result, summer evenings at the villa can feel easy and sociable.

The protected dining area also works well for families, since children can stay close while adults cook and unwind.
