DESCRIPTION

Villa Hunter boasts six spacious bedrooms, with en suite bathrooms. Each bedroom features views of the pool and landscaped gardens to the south, or La Concha mountain to the north. The first floor of this magnificent property features two guest suites, along with the luxury master suite boasting a walk-in wardrobe and a private terrace.

This level also provides access to a large solarium, offering breathtaking sea views and spanning the south and east sides of the villa, surrounded by clear glass railings to make the most of the sea views, giving endless opportunities to relax and entertain, with sun loungers, dining areas, a Jacuzzi and outdoor kitchen ready to be enjoyed in the year-round warm weather.

The open plan living and dining areas seamlessly connect to the garden, while the top-of-the-range open plan kitchen exudes modern elegance. Additionally, a guest suite adds to the allure of the ground floor.
