Luxury Waterfront Villa Rental in Key West, Florida

Set within the private gated community of Key Haven Estates, Villa Luna offers an exceptional waterfront escape. The villa sits just moments from the energy and charm of Key West.

This impressive new-build property combines contemporary luxury with the relaxed character of the Florida Keys. It features eight bedrooms, 8.5 bathrooms, a heated pool and a private dock.

Villa Luna sleeps up to 16 guests. The spacious layout gives everyone room to come together and relax. Each bedroom features luxury linens, plush pillows and soft bath towels. Private bathrooms add an extra level of comfort and privacy.

The beautifully appointed living spaces create a relaxed setting for time together. At the heart of the home, the chef's kitchen is ideal for both casual breakfasts and elegant dinners. It features premium cookware and high-end appliances, along with a wine fridge, built-in ice maker, blender and dishwasher.

A breakfast bar creates a sociable spot for morning coffee. There is also a single-serve coffee maker and a traditional pot coffee maker.

Modern comforts run throughout Villa Luna. High-speed Wi-Fi keeps everyone connected, while Smart TVs provide easy access to streaming services. Bluetooth speaker bars and keyless entry with personalised access codes add to the effortless experience.

Air conditioning keeps the interiors cool and comfortable. A private laundry room and garment steamers also make longer stays simple.

Life by the Water

Outside, Villa Luna comes into its own. The heated swimming pool takes centre stage on the spacious terrace. Comfortable loungers invite you to spend long afternoons in the Florida sunshine.

A hammock provides a peaceful place to unwind. The fenced garden and patio also offer a private setting for relaxed days outdoors.

The outdoor spaces are perfect for entertaining. A premium gas grill makes alfresco dining easy. Outdoor refrigeration and an ice maker keep refreshments close at hand.

Generous dining areas make long, relaxed meals a pleasure. As evening falls, gather around the smokeless fire pit. You can also settle in for a film on the outdoor Smart TV beneath the warm Keys sky.

The private dock adds another dimension to a stay at Villa Luna. The marina can

accommodate vessels of up to 40 feet. A nearby boat ramp also makes getting out onto the water simple.

Set out for a day of fishing or explore the surrounding islands. You can also take to the water at sunset and experience the Florida Keys from a different perspective.

Close to Key West

Villa Luna offers a peaceful waterfront setting without taking you far from the action. Key West sits less than two miles away, putting its famous attractions within easy reach.

Spend the day exploring the colourful streets of Old Town. Browse independent galleries and boutiques or settle into one of the area's celebrated restaurants.
