DESCRIPTION

Step into a welcoming haven where chic meets comfort. The main level boasts a cozy ambiance with plenty of natural light through ample windows. Three bedrooms await on this floor, including a queen bedroom with an attached en suite featuring a stand-up shower with barn-style doors. Additionally, a queen bedroom and a twin bedroom share a stylish bathroom adorned with a walk-in rain shower and double vanity.

Unwind in the downstairs living room replete with sectional seating, a state-of-the-art 75-inch home theater, and a gas-electric fireplace and games for the kids. Extend your evenings outdoors onto the expansive lower deck, complete with Adirondack chairs, a fire pit, and a bubbling hot tub.

The heart of the home resides in the open-concept main living spaces, offering peekaboo views of Alta Lake through south-facing windows. Prepare culinary delights in the modern kitchen equipped with stainless steel appliances, a four-burner gas range, and seating for two at the island bar. Gather around the wood-burning fire stove in the living room, or dine comfortably at the table for six adjacent the front-facing patio. A walk-through pantry with a wine fridge, powder room, and a ceiling fan enhance the allure of these spaces.

Retreat to the master suite featuring a king bed, a built-in wardrobe, and a private television. The attached en suite indulges with a spacious walk-in shower and double vanity.

Nestled in a tranquil neighborhood, this retreat offers driveway parking for your convenience. Alta Vista is only a 2 minute walk to Blueberry Trail and the docks of Alta Lake; making this location very convenient for biking along the valley trail to the Whistler village in just 5 minutes, or relaxing at the beaches, sailing, canoeing or paddleboarding in the warmer months.
