DESCRIPTION

The Asian House is one of the most luxurious Harbour Island house rentals, bringing a touch of Asian flair to the Bahamas. Spacious yet inviting, this house features a minimalist Zen décor, creating an ambiance of luxury and elegance. Designed to maximize ocean views, this stunning rental allows you to enjoy the beauty of the sea from within.

This 11,000-square-foot house offers nine spacious suites across three levels, along with expansive common areas like the living room and kitchen.

THE FIRST FLOOR

When you step into the house you will see a spacious, open living area with a wooden cathedral ceiling and picture windows that offer magnificent views over the lush pool area and the Atlantic Ocean. This open gathering area combines several living spaces into one central area.

To the right of the room is the modern kitchen and a second suite that overlooks the ocean. To the left are three more suites : the third suite which also overlooks the ocean and at the front of the house are suites four and five which have private balconies.

THE GROUND FLOOR

The ground floor is a sanctuary of wellness and leisure, featuring a private fitness room complete with a massage room, sauna, steam room, and shower. For entertainment, there is a movie theater with reclining sofas.

The ground floor also hosts four additional guest suites: Suites 6 and 7 offer king beds and private ensuite bathrooms, while a sprawling self-contained apartment provides a full kitchen, living room area, two queen bedrooms (8 and 9) and a bathroom. This room is ideal for families traveling with a young kids and a nanny.

THE SECOND FLOOR

The top floor is accessible from the main floor by way of a magnificently designed floating staircase. On this floor you will find a home office and a master suite, the house's largest bedroom. This spacious suite faces east and has a private balcony with sweeping ocean views. The oversized, freestanding bathtub and separate shower located in the ensuite bathroom also have direct ocean views. The office is located next to the master suite.

AMENITIES

Asian House offers exceptional amenities rarely found with any other Harbour Island house rentals. This includes direct beach access from the garden. Guests can step down a few stairs to and find themselves on semi-private beach with palapa umbrellas and lounge chairs for ultimate relaxation.

The home is also equipped with advanced home automation, standard WiFi, and Starlink satellite internet. Each bedroom suite and common area has tablets and speakers, allowing you to enjoy your favorite music or stream Netflix shows with ease.

THE GROUNDS

The house's beautifully landscaped grounds of this Harbour Island house rentals offers peace and tranquility with sweeping ocean views. Our groundskeepers clean and prepare our section of the beach daily to ensure it's ready for our guests to enjoy.
