DESCRIPTION

Entry to the villa reveals a large air-conditioned foyer, with access to the Coral and Sand Suites with king size beds (the Sand Suite can optionally be configured with two twin beds) and a bright and modern 4-piece bathroom. The Coral Suite has doors to the foyer and directly out to the pool deck.

Turning the corner into the main living area reveals a stunning wraparound view of the Caribbean Sea and the Dog Islands. A new complement of sliding glass doors allows the living, dining and kitchen areas to open wide and capture the fresh Caribbean breezes. Air conditioning is present but rarely needed. The kitchen is large, modern and well equipped with new appliances and concrete countertops.

Immediately outside is the new heated L-shaped pool with a shallow 10x12 lounging area (perfect for kids) and a generous 10 x 40 swimming area adjacent to a shaded outdoor dining area. Seaside decks offer recliners or modern wicker furniture for sunbathing atop new quartz decking.

Upstairs holds two large master bedrooms, each with grand cathedral ceilings and a well-appointed en-suite bathroom with large double showers. The villa is so close to the water the master bedrooms seem like cruise ship cabins, with sight lines that overlook the beach, directly into the stunning azure Caribbean waters. Close the windows and doors for air conditioned bliss or leave them open to enjoy the evening breeze and sounds of the ocean.

The villa offers amazing snorkelling and spectacular sunsets in one of the most private settings on Virgin Gorda.
