Gourmet Kitchen and Private Chef

The gourmet kitchen provides everything needed for preparing meals at the villa. However, guests can leave the cooking to the private chef included with their stay.

The chef can create delicious meals while guests relax and enjoy the surroundings. Alternatively, those who love cooking can take over the kitchen themselves.

Dining at Baan Hinta offers a relaxed alternative to heading out every evening. Guests can enjoy their meals together while taking in the beautiful setting.

Infinity Pool and Beachfront Living

The infinity pool is one of Baan Hinta's standout features. Its dramatic design creates the impression that the water flows directly into the sea.

Hammocks provide another inviting place to relax. Guests can spend quiet afternoons reading, enjoying the views or simply taking a break from everyday life.

Direct beach access makes it easy to switch between the pool and the sea. Meanwhile, the villa's outdoor spaces provide plenty of room for everyone to relax together.

Kayaks and Paddleboards

For those who want to stay active, Baan Hinta provides kayaks and paddleboards. Guests can take to the water and explore the coastline at their own pace.

Afterwards, return to the villa for a swim in the infinity pool. Alternatively, settle into a hammock and enjoy the peaceful surroundings.

Therefore, the villa works equally well for active adventures and slow days by the sea.

Baan Hinta and Baan Hinyai

Baan Hinta forms part of the Hinta Hinyai Beach Villas estate. The neighbouring Baan Hinyai offers the perfect opportunity to expand your accommodation.

Book both villas together and create a private 10-bedroom beachfront estate. The combined properties can accommodate up to 20 guests.
