### DESCRIPTION

A spacious main pavilion incorporates open plan indoor and outdoor living, dining and entertainment areas, a full service bar and cocktail lounge, and an infinity pool with giant shade sails for sanctuary from the midday sun. Beyond the main pavilion a panoramic deck sunken into Virgin Gorda's trademark volcanic boulders at the water's edge makes an idyllic spot to watch magical BVI sunsets with complimentary cocktails and canapés. Situated between two pristine sandy beaches, Baraka Point enjoys an unbeatable location for a luxury private retreat.

Journey through Baraka Point's lush gardens and down some steps to set up camp on one of our easily accessible beaches. The Estate is surrounded by three of the most private beaches in the BVI. Let our team setup beach chairs and pack coolers of your favorite beverages to enjoy a beach picnic. During your stay be sure to take a guided snorkel tour of the spectacular house reef or explore above the surface on paddle boards.

At Baraka Point, we understand that when on holiday, happy children mean happy parents. We guarantee your children will never utter the words "I'm bored" during their stay. Children will be entertained with a full range of activities like tubing and waterskiing with Blue Rush Watersports, arts & crafts, treasure hunts and building sandcastles. When it comes to mealtime, our private chef will work with parents to cater his menu to the choosiest of palates.

From a pool with a designated shallow end that's visible from surrounding terraces to infant swim chairs, floaties, arm bands, and flutter boards, we take kids' entertainment and safety seriously at Baraka Point. Outside of the pool, we have equipment for babies and toddlers, including high chairs and Pack N Plays. Car seats and cribs can be rented, and nanny services are available for an extra charge.

Baraka Point's six uniquely designed suites provide a refuge of calm and relaxation set against a stunning backdrop of Caribbean Sea and Island views. All 6 suites are separated with their own lush garden entrance and gorgeous lpe wood doors opening out to private decks or terraces overlooking Nail Bay, Long Bay, and Mountain Trunk Bay.

Each suite is positioned to maximize their panoramic sea, bay, and garden views. Four Ocean View Suites and two Garden Access Family Suites all feature spacious bedrooms with vaulted ceilings and ensuite bathrooms.

All Suites have separate entrances from the lush gardens, air-conditioning, WIFI, Smart TVs, Ortigia (Sicily) bathroom amenities, hair dryers, beach bags, makeup mirrors, Boca Terry bathrobes and valuables safes.

Baraka Point offers a shaded alfresco gym fitted with a rowing machine, AssaultBike, TRX, HIIT battle ropes, weight stack, and more.
