Luxury Villa Living

DESCRIPTION

This new, impeccably designed villa offers you four bedrooms in the main villa, each with jaw-dropping Caribbean Oceanfront views, and a separate one-bedroom cottage with staff quarters.

Blue Lagoon eloquently blends unpretentious beachy style - expansive indoor-outdoor living, ceiling-to-floor glass framing the azure ocean, and plush en-suite accommodations - with refined living, bespoke décor, touch-based home automation, and first-rate onsite amenities including a gym, spa, theater, and games room.

Up the immaculate winding staircase, there are four generous luxury suites, all boasting stunning sea views. These include one exquisite master suite, two junior suites, and one double suite. Each room provides a large bathroom, ample closet space, a safe for your personal belongings, and extra touches that inspire total tranquility.

The staff will cater to your every whim with a housekeeper, chef, butler and laundress, the staff will ensure your holiday experience is beyond exceptional. Whether you're looking for a quiet hideaway or a soft place to land after a day at the beach, Blue Lagoon is where you'll find it. There's just one caveat - Blue Lagoon will make you feel so relaxed that you may never want to leave.
