DESCRIPTION

Within the villa itself, an impressive coral stone hallway leads onto elegant areas ideal for socializing or relaxing. A wonderfully stylish entertaining space has been newly created amongst lush tropical plants at the centre of the house. This innovative area flows directly onto the pool deck, affording glorious views through the palms to the sea beyond. In turn, the perfect place to unwind is provided in the form of a tastefully decorated sitting room equipped with TV and stereo facilities. Adjoining the sitting room is a formal indoor dining area, with a beautiful coral stone dining table as its centrepiece. For more informal dining, this room opens onto a covered verandah with glorious views of the grounds as a backdrop. Six stylishly decorated double air-conditioned bedrooms, each with ensuite bathrooms providing ample accommodation for guests. The villa's magnificent master bedroom opens onto an expansive terrace, with views of the garden and the sea beyond, while the other bedrooms open directly onto the grounds.

No detail is overlooked for the comfort of guests, from the gated intercom entrance at the foot of the property's sweeping driveway, which ensures security and privacy, to the built-in sound system that provides music in all living areas.

Guests will find many sources of entertainment close at hand. Direct access to the glorious Sandy Lane beach is easily obtained through the property's own private path, and sun loungers are provided on the beach for the comfort of guests. Sandy Lane's legendary 18-hole course represents the perfect challenge for golfers.

Ideally situated and beautifully appointed, Bluff House is indeed the perfect holiday choice.
