DESCRIPTION

As you walk through the hallway, glimpses of a nautical Caribbean lifestyle are revealed. The hallway is decorated with stone turtle footstools and your eyes are drawn to the magnificent Caribbean Sea and pool views. An impressive iron anchor is nestled among a colourful fusion of tropical foliage adding to the cool charm of the villa.

This luxury Barbados vacation rental features a Roman-style fountain in a small alcove and a slightly dimmed nook offers a cosy retreat. The drawing room is elegantly outfitted with mahogany furnishings, antique Oriental rugs and polished antique mirrors. The living areas flow onto a covered terrace that is fully equipped with a full dining area, recessed service counter and a wet bar.

An inviting swimming pool and deck complements this villa and provides guests with the perfect spot to enjoy the dazzling sea views and the tropical trade winds.

Watch the sun rising and setting over the Caribbean Sea from the upper floor of this luxury villa. There are four beautifully furnished bedrooms - all air-conditioned with en suite bathrooms. An upstairs family room, equipped with state-of-the-art electronics and a spacious balcony enjoys striking views of the pool.

Bonavista strikes a harmonious balance, offering private accommodation with all of the modern conveniences. Beyond the walls of your private retreat you will find shopping and golf and if you want to feel the warm waves lapping at your feet, access to a white, sandy beach is right at your doorstep. This luxurious villa is easily one of the most stunning Barbados beachfront holiday rentals.
