DESCRIPTION

The hall way at the entrance opens to a cool and open plan kitchen with breakfast bar and dining table and has floor to ceiling windows that completely slide back allowing the gentle breeze to flow through the villa. The connecting door for each villa is here and from this point each villa is a micro image of each other. So there are two kitchens, two swimming pools, two sitting areas etc. One of the kitchen tables will be set for 12 people so all guests can eat together.

Tiled steps lead down to a sitting area with sofas, TV, games and books that has sliding windows onto the pool deck.

All the bedrooms are modern, stylish, elegant, comfortable, ensuite with lovely bathrooms and have air con and over head fans. The king size bedrooms have huge windows that enjoy incredible far reaching views and the breeze is refreshing and lovely.

Head up to the roof and there are two circular sofas facing east with views that stretch towards the hill country. Sunrise from here is incredible to witness. The upper most level is grass and faces west...sunsets are blissful.
