DESCRIPTION

The property is made up of two independent houses and includes seven spacious suites, dining rooms, living room, swimming pool, horse stables, organic vegetable garden and is set in extensive grounds. For all these reasons, it offers the perfect environment to find oneself again, disconnecting from daily activities, without giving up the comforts that make daily life easier.

Our rooms are designed to maintain harmony while respecting the peace, well-being and beauty that our surroundings offer us. In this magical space, the suite-type rooms are connected to nature with fantastic terraces and balconies. They are all very bright, quiet and with all the comforts you could wish for. We take care of even the smallest detail so that you can enjoy a unique stay, from spacious bathrooms, a personalised interior design for each space, or giving priority to natural materials, even in the flooring.
