DESCRIPTION

Welcome to Calico - Beachfront Luxury Villa!

Designed by world-renowned architect Peter Inston, Calico is a stunning, new-build, contemporary beachfront villa located on the platinum West Coast of Barbados. This rare new-build opportunity blends timeless island elegance with modern luxury finishes - perfect for a dream Caribbean escape.

Enjoy morning walks on the beach, al fresco dining with sea views, and relaxing poolside afternoons—all from your own private sanctuary. Calico offers unmatched comfort, space, and style in one of the island's most desirable beachfront locations.

Step through the doors of Calico and be immediately captivated by the endless azure expanse of the Caribbean Sea. This newly launched, architect-designed beachfront villa is an exquisite oasis where timeless island elegance meets contemporary luxury — every detail meticulously crafted by renowned designer Peter Inston to deliver effortless, sophisticated living across every level.

From the main entry, the villa draws you in with its seamless flow and panoramic sea views. The heart of the home unfolds on the main floor — a grand open-plan living space with formal dining, a chef's kitchen, discreet laundry, and staff quarters, all designed to frame the ocean at every glance.

Take the private elevator down to the beach level and discover an entire floor dedicated to leisure and well-being. Energise in the fully equipped gym, refresh at the bespoke juice bar, or unwind in the plush media room. Step outside to savour sun-drenched days by the private pool, indulge in alfresco dining at the BBQ pavilion, or stroll straight onto the soft sands and into the warm Caribbean waters. Two of the villa's six luxurious ensuite bedrooms are perfectly positioned on this level for ultimate poolside serenity.

Upstairs, the remaining ensuite bedrooms open onto sweeping ocean views and breezy private terraces — but the crown jewel is the penthouse suite: an expansive sanctuary with his-and-hers spa-style bathrooms, double dressing rooms, a private office, a built-in cocktail bar, and its own plunge pool on an exclusive terrace — all designed to deliver an unrivalled level of Caribbean indulgence.

Perfectly positioned on the sought-after West Coast beachfront, Calico is just moments from Holetown and Bridgetown, with Speightstown only a 10-minute drive away — putting fine dining, chic beach bars, luxury shopping, golf, marinas, and medical facilities at your fingertips.

This immaculate new-build comes fully furnished and turnkey — the ultimate lock-and-leave holiday retreat or prestigious full-time residence, ready for you to step into a world of barefoot luxury and endless ocean sunsets.

Welcome home to Calico — where modern Caribbean splendour is yours to savour every day.
