### DESCRIPTION

All bedrooms are air conditioned with ceiling fans and have en suite bathrooms - on the first floor is the main master suite and a second master suite - both have private patios with French doors that open up to the gorgeous views of the Caribbean Sea.

There is a spacious open living area with sofas inside the villa, while outside under a covered terrace a comfortable lounging area provides a relaxing haven to watch the ocean views. A large coral stone table with seating for 8 is perfect for al fresco dining as the sun goes down.

Sun loungers are provided on the wooden deck area and a secure beach gate leads out on to a quiet sandy beach where there is swimming and reefs for snorkeling.

The towns of Speightstown and Holetown are less than 10 minutes away by car, where shopping, restaurants and entertainment can be found. Golf, tennis and other activities are close by, while water sports and other water activities can be arranged for you.

Caprice is very popular as a family villa rental, as well as for weddings - the sunsets are spectacular.
