DESCRIPTION

With a resolutely modern decoration and a Caribbean architecture, the owners perfectly succeeded in recreating the warm atmosphere of the colonial home... a hit.

The long overflowing heated pool overlooks Marigot bay.

Each of the four separated, equal size bungalows that are strewn in the splendid garden, have a bedroom, an ensuite bathroom and a dressing room. The sea view is ubiquitous. Very quiet and private, they suggest rest, serenity and relaxation.

The fifth bungalow has a bedroom, an ensuite bathroom and a dressing room, communicating with another kids bedroom (overlooking the garden), with its bathroom. The latter also has an independent entrance.

The fitness room is extremely well equipped.

Marigot is a maritime nature reserve. Snorkelling lovers will enjoy the multitudes of brightly coloured fishes, turtles...

Captiva is a unique villa where everything is only luxury, calm and pleasure. One of our very favourite villas!
