DESCRIPTION

The Great Room, with vaulted ceilings made from Brazilian Cherry hardwood, has large sliding glass doors that open to the al-fresco dining table, covered terrace, and expansive pool deck. Including a grand piano and billiard table, the Great Room also includes a large TV screen with surround sound all connected to the villa's main Apple theatre system which includes over 700+ downloaded movies & current TV shows. Just off the Great Room you will find a fully equipped office including a Mac desktop computer and printer for guest use.

The large gourmet kitchen, attached to the Great Room, is a chef's dream, and what better way to enjoy the kitchen than to have all your meals prepared by the in-house Chef and served by the villa's Butler. Your only worry is what is on the menu, not who will be cooking!

The 5 bedrooms are laid out so they each enjoy beach views from their private access under the covered terrace. The master bedroom, secluded from the Great Room, boasts 800 sq. ft of living space including a large en-suite bathroom with a soaking tub and an immense rain shower. The 4 other bedrooms, split 2 and 2 on either side of the Great Room, provide similar amenities with large garden view en-suite bathrooms. Great for families, one bedroom provides 2 double beds, so the kids will not have to share. With large vaulted ceilings like the Great Room, each bedroom is a private oasis.

Take in the 400 ft. worth of west-facing beach views from the pool, with diving board, or better yet from the villa's rooftop patio with built-in daybed. When the conditions are right you can see neighboring islands Saba, St. Eustatius, and St. Kitts. And if the property does not already offer enough in fun amenities, why not enjoy an outdoor movie from the villa's garden. Allow the caretaker to set it up for you and you can watch a recent release with your loved ones right under the stars.

Located in the exclusive gated community of the Terres Basses on the French side of St-Martin, on the same beach as the famed La Samanna resort, you are only 15 minutes to the Juliana International Airport, 15 minutes to the quaint Creole town of Marigot, and a further 15 minutes to Grand Case, Hope Estate and Cul de Sac.
