DESCRIPTION

Built in a 5 acre private parkland facing the stunning natural park of Cap de Creus, the villa offers breathtaking views in a quiet and preserved environment. It benefits from direct access to the sea, while offering extreme privacy.

Designed in the sixties, the property has a rich history: for nearly 20 years, Dali's personal manager, the extraordinary "Captain Moore" lived in the house. Casa del Capitan has been entirely renovated in 2018 with care for respecting the original architecture and preserving its amazing artistic heritage.

Extending over 500m², Casa del Captain offers spacious living areas and 10 restful and stylish bedrooms. It can accommodate a maximum of 20 persons.

It's a one-story villa built above the rock, with two different parts: the main house (including 4 bedrooms) and six exterior bedrooms with independent access, all connected with nice Mediterranean patios and stone steps.

2 master bedrooms with en-suite bathrooms,
1 family suite with en-suite bathroom (sleeps 4),
6 double or twin en-suite bathrooms,
1 en-suite bedroom with 4 single beds,
1 cozy 'library office' convertible into bedroom, with en-suite bathroom.
