DESCRIPTION

From the moment you arrive, Casa Garcia captivates with its timeless architecture, natural elegance, and sense of calm. More than just a villa, it is a private sanctuary, designed to provide unforgettable memories, whether you're planning a family holiday, a celebration, or a refined group escape in one of the island's most coveted locations.

A Grand Entrance to Your Private World

Step onto the cobblestone path, flanked by lush greenery and a calming water fountain, and pass through an imposing handcrafted wooden doorway—a ceremonial entrance that sets the tone for what lies ahead. Inside, the double-height entrance hall welcomes you with its soaring ceilings, curated lighting, and the soft echo of quiet luxury. Every detail is intentional, every space bathed in natural light.

From this central point, you're guided into the heart of the home: a vast, open-concept living and dining room, furnished with designer pieces and neutral tones that enhance the sense of peace and openness. The atmosphere is made even more cinematic by a 100-inch TV screen, offering entertainment on a grand scale—perfect for relaxed evenings or movie marathons with loved ones.

A Culinary Dream in a Designer Kitchen

The adjacent fully equipped kitchen is a culinary dream, designed for both professional chefs and passionate home cooks. Featuring sleek surfaces, premium appliances, and a central island perfect for food prep or casual gatherings, this space invites conversation, creativity, and connection.

Whether you're preparing an intimate breakfast or hosting a private dinner, the indoor dining area and outdoor alternatives allow every meal to be an experience in itself.

Indoor-Outdoor Flow with Unmatched Views

Casa Garcia has been masterfully designed to seamlessly connect indoor and outdoor living. A fully automated sliding glass wall opens onto an expansive sun terrace, where the villa's heated and covered infinity pool awaits. Swim beneath the stars, float in sun-drenched bliss, or unwind in the adjacent Jacuzzi, which boasts commanding views of the legendary Roque del Conde.

Even on cooler days, the heated outdoor chill-out area, complete with luxurious seating, allows you to enjoy the fresh air without sacrificing comfort. It's an ideal space for reading, meditating, or sharing drinks and stories as the sky fades into twilight.

Enjoy outdoor living to the fullest with a dedicated BBQ area, featuring a high-end gas grill and a traditional pizza oven—perfect for lively family meals or gourmet evenings under the stars.

The villa also offers a Balinese daybed for sun-soaked naps or late-afternoon lounging, and a ping pong table, ensuring fun for guests of all ages.

Ground-Level Suites & Private Garden Terraces

The ground floor of Casa Garcia houses four exquisitely appointed en-suite bedrooms, each with access to its own private terrace—a peaceful space to breathe in the ocean air or enjoy your morning coffee surrounded by nature.

One of these suites features a luxurious bathtub, perfect for soaking the day away in quiet indulgence. The villa's thoughtful layout ensures each guest enjoys privacy, space, and tranquillity.

Set within the grounds, a separate guest pavilion offers two additional bedrooms and a cozy lounge area—ideal for grandparents, teenagers, staff, or guests looking for even more seclusion. This space can be transformed into a private massage suite, movie den, or quiet reading room, depending on your needs.

The Crown Jewel – A Master Suite Like No Other

Perched on the upper floor is the master suite, a breathtaking private sanctuary that redefines luxury. This expansive space features a super king-sized bed, a walk-in dressing area, and a private 30 m² terrace with panoramic ocean views.

Its spa-inspired en-suite bathroom is enclosed in glass, allowing you to take in the sweeping seascape while soaking in the freestanding tub. For a truly unique experience, step into the outdoor rain shower and feel the sea breeze on your skin—moments like this define the magic of Casa Garcia.
