### DESCRIPTION

The property reflects a thoughtful balance between raw, organic materials and clean contemporary lines, where rustic palapa structures meet expansive concrete forms. The result is a calm, almost meditative atmosphere, inspired by simplicity, proportion, and connection to nature.

Designed to accommodate up to 16 guests, the villa features six spacious bedrooms, each with a king-size bed, en-suite bathroom, and direct access to outdoor spaces. One bedroom includes an additional single bed, while another offers two queen beds, providing flexibility for groups.

The living areas open seamlessly toward the outdoors, with floor-to-ceiling glass doors framing uninterrupted ocean views. A fully equipped kitchen connects to the dining and lounge spaces, while the infinity pool appears to merge with the Pacific Ocean, just steps from miles of untouched white sand.

Guests are supported by a dedicated team, including private chef, housekeeping, bartender, and concierge service, ensuring a seamless and elevated stay. High-speed Starlink internet is also available throughout the property.

Located approximately 30 minutes from Puerto Escondido, the villa offers complete seclusion while remaining within reach of the area's restaurants, surf culture, and local experiences.
