Perched on the exclusive hills of Costa Adeje, Villa Luis is a sophisticated contemporary retreat offering panoramic views across southern Tenerife and towards the neighbouring island of La Gomera. Combining elegant architecture, refined interiors, and exceptional outdoor living, the villa provides a luxurious setting for guests seeking privacy, comfort, and unforgettable island sunsets.

Designed with a modern and seamless aesthetic, Villa Luis features three beautifully appointed en-suite bedrooms where comfort and tranquillity are central to the experience. The primary suite offers a particularly luxurious atmosphere, complete with a freestanding bathtub designed for long relaxing evenings overlooking the peaceful surroundings.

At the heart of the villa is an open-plan living space where the kitchen and lounge blend effortlessly together. Contemporary in style yet warm and inviting, the living area is filled with natural light and designed for both relaxation and entertaining. The modern kitchen features a sleek island layout, creating an ideal social space for preparing meals while enjoying time with family and friends.

The villa's lower level is dedicated to entertainment and relaxation, offering an additional spacious lounge area equipped with a large state-of-the-art television, perfect for movie nights or quiet evenings indoors. Throughout the property, clean architectural lines, elegant furnishings, and carefully selected materials create a calm and sophisticated atmosphere.

Outside, Villa Luis embraces the beauty of Tenerife's year-round climate with expansive terraces and open-air living spaces. A private heated swimming pool invites guests to unwind while taking in the breathtaking panoramic views across the coastline and Atlantic Ocean. The terrace offers multiple areas for sunbathing, dining, and enjoying the spectacular sunsets that colour the skies above La Gomera each evening.

The villa also includes a private garage, providing additional comfort and convenience throughout your stay. Large sliding doors connect the main living areas directly to the outdoor terraces, creating a seamless indoor-outdoor lifestyle that fully embraces the natural beauty of Costa Adeje.

Ideally located in one of Tenerife's most prestigious areas, Villa Luis offers easy access to beautiful beaches, fine dining, golf courses, luxury shopping, and the vibrant atmosphere of the island's south coast.
