### DESCRIPTION

Take it private or go big, with a mix of king rooms boasting oceanfront balconies and larger double bedrooms for up to six people. All rooms offer a minimalist approach with practical extra bedding. Six of the bedrooms are in the main house, with the seventh offering private access at beach level and an eighth bungalow room.

Enjoy stunning culinary experiences. Be it under the shady palapa roof or the poolside canopy. CasaZul's fully staffed team including chefs, waiter & butler will organize every detail according to your tropical vision.

A picturesque 30 minute drive from Cancun International Airport through the Cancun Hotel Zone will bring you to this private, gated Flamingos community. From here, easily explore shops, restaurants, nightlife and Cancun's many attractions. We recommend exploring Puerto Cancun marina or the coveted La Isla Shopping Center. For ocean lovers, a yacht trip to the stunning Isla Mujeres is a must.
