DESCRIPTION

The chalet is designed over four floors, each offering a touch of luxury for an unforgettable ski holiday. Upon entering the chalet on the lower ground floor, guests are welcomed to their own private cinema room, office, and laundry room.

The ground floor features a spacious bedroom with a large bathtub and double sink, as well as the chalet's wellness center, including an indoor swimming pool with counter-current, steam room, sauna, and massage room. The ski room is also located on this level.

The first floor boasts four bedrooms, including a master suite with a sitting area and en-suite bathroom. There are also two double/twin rooms with en-suite bathrooms and a children's room with a Jack and Jill bed and a separate raised single bed with its own en-suite bathroom.

The top floor of the chalet is an open-plan living and dining area, centred around a warm and inviting fireplace. The plush sofas provide a comfortable place to relax after a long day of skiing in the Espace Killy ski area. Guests can look forward to enjoying breakfast and dinner cooked by their own private chef, all within the comfort of the chalet.

In addition to a private butler, the chalet guests can enjoy all the 5-star hotel facilities (reception & concierge 24h/24h, drivers, porters,...) at the adjacent hotel. They can enjoy their chalet in privacy, but also enjoy the "common" spaces such as the restaurant and bar area. While the Wellness Centre at the hotel offers a heated indoor swimming pool of 17 metres long, sauna, steam room and relaxation room.
