DESCRIPTION

Located in the hamlet of Bois du Praz, Chalet Bois du Ban is located just 50m from the centre of the village and only 200m from the ski lift which whisks you straight up to Courchevel 1850. Set over five levels, all served by an elevator, Chalet Bois du Ban is modern in style with stone and wood cladding, soft tones and sumptuous materials.

A beautiful and spacious open-plan living area is located on the top floor. Bay windows open onto a terrace and balcony from where you can admire wonderful views of the valley. A central fireplace divides the comfortable lounge from the elegant dining area and fully-equipped kitchen.

Chalet Bois du Ban accommodates 10 guests across five en-suite bedrooms. Three of the bedrooms have balcony access and one of the bedrooms is suitable for people with reduced mobility. The master suite has a stylish en-suite bathroom whilst the four remaining bedrooms all have en-suite shower rooms.

After a day on the mountain, the chalet's spa will be a welcome sight. Relax in the sauna or enjoy a leisurely swim in the indoor pool. There's also a cinema room for movie nights. Other facilities include a ski room with boot warmers, a laundry room and a garage.
