DESCRIPTION

The exterior architecture of this family chalet is authentic, its mountain style of wood and grey stone blends perfectly with the surrounding postcard scenery. Inside the chalet is a subtle blend of wood and old stones associated with contemporary furniture elements with clean lines like the sofas in the lounge or the large grey rectangular table in the dining room that has magnificent designer leather and aluminium chairs.

Enjoy spacious living areas and upscale amenities offered by the family chalet Ferme de mon Grand-Père. This family chalet accommodates 16 people in 8 bedrooms. The level of service of this chalet is worthy of the greatest resorts.

On the lower level of this family chalet, take the time to relax in an area dedicated to leisure and well-being the swimming-pool with waterfall, the jacuzzi or sauna, while the sportier bunch can benefit from cardio training if the days on the 600 km of slopes of the Trois Vallées domain has not been exerting enough.
