DESCRIPTION

Chalet Gebroulaz is a traditional chalet with a high level of comfort and equipment. The exterior and interior of the chalet are made of high quality old wood that offers a real charm and a feeling of warmth. An idyllic place for winter evenings around the fireplace while watching the snow fall.

The spaces are generous, such as the living room with its high ceilings, the leather furniture and the thick wool curtains give you the impression of being comfortably at home.

The chalet Gebroulaz has 6 bedrooms ensuite, including 4 double rooms, a children's room, as well as a master bedroom on the top floor. For a capacity of 12 people.

The relaxation area includes a hammam, a massage room, but also an outdoor jacuzzi, a perfect location to relax after a beautiful day of skiing while watching the sunset over the mountains of Courchevel.
