### DESCRIPTION

This is the case of this emblematic luxury chalet in Courchevel 1850, located in the very popular Cospillot district, which seems to hang from the rock that borders the forest, in a preserved natural setting, surrounded by fir trees. Its exceptional plunging view is one of the most beautiful of the resort.

This high-end chalet impresses with its modernism, comfort and decoration from prestigious brands such as Fendi, Baccarat and Louis Vuitton.

With a surface area of 709 sq.m, distributed over 4 levels, the chalet, flooded with natural light than covered with old wood and enhanced with a few resolutely design details, can accommodate 14 people and has 7 bedrooms, one of which distinguish itself through a fireplace with a linear and modern appearance.

La Grande Roche, whose architecture is a subtle blend of noble materials: a mixture of old wood, slate and local old stones, Combined with leather, fur, steel, lacquer and crystal elements... has been designed in a contemporary perspective, without renouncing the functional nature of home automation solutions.

The old fir tree skates, with the authentic signs of the wood , the characteristic knots and veins, evoke the charm of yesteryear. The designer seats and leather sofas blend in a unique way with the dining table and with the small tables in the living room, magically complementing the wood. The charming corner bar is next to the semi-professional wooden kitchen.

The large bay windows, from which one can access a terrace with a view of the magnificent surrounding mountains, represent not only a source of light, but also an essential element of the living room, intended to establish the indissoluble link between the whole and the landscape and nature.

In this luxury home, with its extremely natural tones and consistency, countless services offer a refined touch: butler, chef offering all types of cuisine, cinema room, outdoor sauna, hammam, indoor swimming pool with pop lights overhung by a swing, fitness room and massage lounge perfectly equipped.

The luxury and grandeur of chalet La Grande Roche will seduce a demanding clientele accustomed to the best services and real estate.
