## Chalet La Vizelle

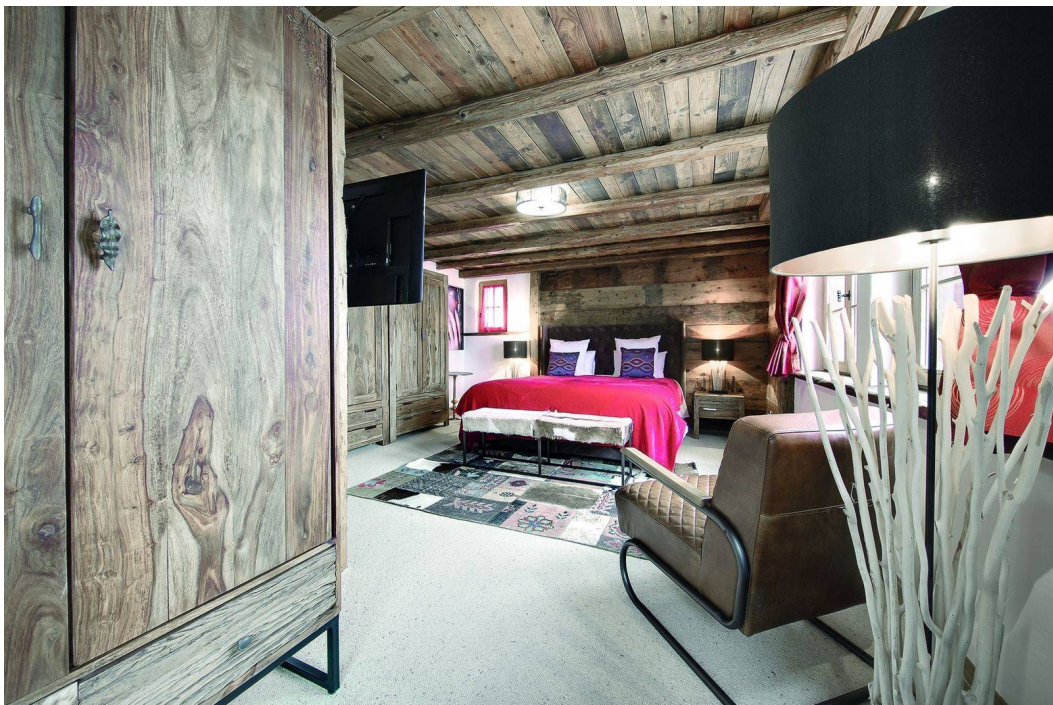

The chalet La Vizelle perfectly combines the tradition of alpine construction with contemporary style. This makes it one of the most popular chalets in Courchevel. It is located in the Nogentil district, where the first luxury chalets appeared in Courchevel 1850. This is one of the most sought-after places in this resort: on the edge of the famous Bellecôte slope.

### DESCRIPTION

Its panorama offers a breathtaking view of the mountains and the surrounding landscapes. Chalet Vizelle has recently been renovated with an assortment of noble materials, such as solid wood or carved stone, high quality finishing details, original works of art and many high-end technological equipment.

Furnished on four levels, Chalet la Vizelle offers all the comfort and space necessary to enjoy a memorable holiday. 8 rooms with large openings, including 4 master bedrooms and 2 deluxe rooms, each with its own bathroom.

The living space is perfectly arranged to be able to spend good times with family or friends. Its high ceiling will give you a feeling of freedom, and the large bay window will let you enjoy the light.

After returning from skiing and dropping your things off at the ski room, what better way to get around the big fireplace while watching the sun set on the horizon?

One of the assets of this chalet is its leisure area: you can relax in the sauna after a nice day of skiing, while the children will enjoy the playroom.

This chalet has included services such as the presence of 2 governesses and a chef to prepare your breakfast throughout your stay.
