DESCRIPTION

The decoration is a subtle blend of styles: contemporary, design and authentic that make it an exceptional property, unique in Megève. The combination of natural materials such as old wood, glass and stone with decorative elements that are sometimes offbeat and rock, sometimes more authentic and sober, a unique universe at chalet Lamartine.

The living room includes the living room and the large equipped kitchen opening onto the dining area, a warm, bright and friendly space where you will love to meet. The glass staircase is a work of art by itself, where glass adds an extra touch of brightness and originality.

One of the instantly recognizable features of the chalet is the cleverly integrated touches of color, in this chalet's authentic soul. Just like the combination of certain musical notes, the colors of Chalet Lamartine beautiful harmonies: the mixture of black and white or bright colors in the rooms, brings a touch of glamour, sophistication, in a luxury and intimacy style.

We also find the authenticity of this renovated chalet, having kept its original structure, dating from the 60s and 70s, by the carpentry, prodigiously enhanced in each room. The exposed beams shock the rest of the design furniture and bring an atypical and sophisticated side: a real charm asset.

A cinema room for family escapes; a fitness room with shower for optimal comfort; an outdoor jacuzzi with a view of Le Jaillet ski area for moments of relaxation. Various facilities and services, the most sought-after in a chalet of this standing.

Outside, a covered swimming pool (8.90m/4.50m).

The chalet offers 6 magnificent rooms with undeniable charm, which can accommodate 12 people.
