DESCRIPTION

The chalet is tastefully decorated, inspired by the surrounding mountains and the glamour of Courchevel 1850. Contemporary furniture and traditional materials are used to an authentic atmosphere in the colours of the mountains. The state-of-the-art facilities in each room and relaxation areas offer pleasant moments of well-being.

In the basement, there is a relaxation area with a swimming pool, a hammam and a jacuzzi but also a massage room and a lounge. You can spend a long time on the wellness floor, or in the cinema and gym, before tasting the creation that the chef has just prepared for your lunch or dinner. The chalet has a space dedicated to the staff. Chef but also driver, butler and housekeeper welcome and take care of the guests.

Thanks to its spacious spaces, thanks in particular to its six bedrooms with ensuite bathrooms, the chalet can accommodate up to twelve people in the greatest comfort. In the living space, on the 3rd floor, a central fireplace separates the living room offering many spaces to welcome your guests. Two terraces offer magnificent views of the surrounding peaks.
