DESCRIPTION

Luxury Ski Chalet in Courchevel Le Praz

Inside, Chalet Le Grand Tétrás blends contemporary alpine design with the charm of traditional mountain living. Located moments from the centre of Courchevel Le Praz, this exceptional 450 sqm chalet spans four elegant floors. It accommodates up to 10 adults and 4 children.

Warm wood finishes, soft neutral tones, and refined furnishings create an inviting atmosphere throughout the chalet. A private elevator connects every level, making movement through the property effortless.

On the upper floor, the open-plan kitchen flows into the dining area, creating a welcoming social space. The spacious lounge features a fireplace, reading corner, and comfortable seating. A separate TV lounge adds another relaxing space for guests. Large windows and the south-facing terrace frame views of the historic Olympic ski jump from the 1992 Winter Games.

Wellness Area: Pool, Sauna & Relaxation

The lower floor focuses entirely on wellness and relaxation. Guests can enjoy the indoor swimming pool, hammam, sauna, and dedicated lounge area after a day on the slopes.

In addition, the private massage room offers a peaceful setting for treatments and recovery. Together, these spaces create a complete alpine wellness experience inside the chalet.

Bedrooms & Family Living

Chalet Le Grand Tétrás features five spacious double bedrooms. Each room includes a TV, safe, and private bathroom or shower room.

The children's bedroom includes two bunk beds and its own shower room. Therefore, the chalet works perfectly for families and multi-generational stays.

The ski room has an independent entrance, making ski days simple and convenient.
