DESCRIPTION

The entrance to the chalet is on the ground floor, where you will find a ski room with plenty of storage space. Stairs lead up to the spacious open plan living and dining area on the top floor. Featuring double height vaulted ceilings and vast panoramic windows, the room is elegantly furnished and accented with burnt orange and cool blue notes. Here you can relax around the fire or in the reading corner before enjoying meals in the chic dining area which is overlooked by a well-equipped kitchen.

Doors open onto a magnificent terrace, giving access to the impressive views. A cosy TV area and a mezzanine level, perfect for taking some time out, completes the living area.

After a day on the slopes, there is nothing better than soaking away any aches and pains in an outdoor hot tub. The property also has a hammam on the first floor.

Six bedrooms are divided between the first and second floors. Being the most luxurious of the six, the master bedroom has a large dressing area, wonderful views from the super-king size bed and access to a large terrace which is home to the outdoor hot tub. There are a further three en-suite double bedrooms on the second floor and two twin/double bedrooms on the first floor.
