DESCRIPTION

The ultimate luxury chalet 'Nanuq' is a real gem of architecture and interior design. The decoration of this prestigious chalet offers an atmosphere that is contemporary, authentic and refined. The noble materials such as old stone, fur, leather and wood associated to the warm colors of its decoration give the chalet 'Nanuq' an exceptional friendly atmosphere.

The architect Christophe Tollemer, the head of the construction project for this ultimate luxury chalet 'Nanuq' imagined decorative elements and custom made furniture: the room's dining table that can accommodate twelve guests is unique in the world.

The vertiginous stairs welcome a golden tree that spans five floors. At the bottom of the tree is installed a chair as a vantage point from which it is astonishing to contemplate the dizzying heights of achievement.

On the top floor of this magnificent ultimate luxury chalet, the younger ones will marvel at the discovery of the hut which hosts a TV area with sofas, only the 'little ones' can access.

The level of equipment and service of the ultimate luxury chalet 'Nanuq' is worthy of the finest hotels in Courchevel but with all the charm of a private chalet. This prestigious chalet is equipped with a private ski room, a large swimming pool and a sublime spa with its beige stone hammam spa -like the Romans used to have. The chalet 'Nanuq' also offers an incomparable quality of services that will make the success of your stay in Courchevel.

The ski in/ ski out chalet 'Nanuq' seduces a demanding family clientele accustomed to the best service and real estate. This ultimate luxury chalet perfectly embodies luxury at a human scale.
