DESCRIPTION

Chalet Rosalia – Luxury Alpine Chalet in the Dolomites

Chalet Rosalia is an elegant alpine retreat located in the village of Moso, at the gateway to the Sexten Dolomites and the Tre Cime Nature Park. Designed for up to eight guests, it offers privacy, refined comfort, and direct access to one of the most iconic mountain landscapes in Europe.

Surrounded by dramatic peaks and pristine nature, the chalet provides a quiet yet highly connected base for both winter skiing and summer exploration.

Warm Alpine Interiors with Contemporary Design

Inside, Chalet Rosalia blends traditional craftsmanship with modern alpine design.

Reclaimed wood from historic local farmhouses is paired with clean architectural lines and soft natural tones. As a result, the interiors feel warm, authentic, and highly atmospheric.

In addition, open living spaces and carefully selected materials create a sense of understated luxury throughout the home.

Private Wellness & Relaxation Spaces

The chalet includes a dedicated wellness area designed for relaxation after a day in the mountains.

Guests can unwind in a private spa space, offering a peaceful setting inspired by the surrounding alpine environment. Therefore, the property is well suited for year-round stays focused on wellbeing and comfort.
