DESCRIPTION

Rebuilt with ancient wood, faithful to the traditional Savoyard style, this magnificent chalet has a spacious and elegant lounge decorated with traditional alpine pieces. After a fun day on the slopes, the cosy fireplace will invite you to sit down and relax. At the dining table, seating ten, you can enjoy fantastic views and delicious meals at the same time. There's a mezzanine area with extensive library and access to the terraces and balcony.

The sophisticated relaxation area, with its counter-current swimming pool, hammam and lounge room, will offer you the perfect peaceful atmosphere you deserve after an intense day on the slopes.

Oenophiles will be delighted by the rare bottles and quality vintages stored in the lodge's private underground cellar. When you return from the slopes, the ski room offers plenty of storage space for your equipment.

SHL Lodge has four double bedrooms, one of which is a spacious master suite with private terrace and dressing room. All of the four doubles have tasteful en-suite bathrooms. There are two children's bedrooms with two sets of bunk beds in each, and both of these rooms have private bathrooms.

All the members of your family will enjoy quality time together in the private home cinema. If extra sleeping space is required, the home cinema room can be converted into a double bedroom with shower room.
