DESCRIPTION

Designed by the owners of the Château Smith Haut Lafitte, the facades of this chalet are in keeping with the typical architecture of Savoyard chalets: grey stone strengthens the foundations while aged light wood covers the upper floors. The interior decor combines both modernity and tradition, making this Ultimate Luxury Chalet a rare pearl of design.

Each element has its own place: the leather sofas and armchairs, the mountain objects scattered throughout the chalet like the bells hung from the exposed beams, the deer antlers that serve as a chandelier in the lounges, the old stove in the kitchen... Tuck into a copious breakfast around the long wooden table in the kitchen ready to take on the slopes of the world's largest ski area.

Skiing back to the front door of the chalet after a successful day on the slopes of the 3 Vallées ski area is a daily pleasure: a well-being space with a jet stream pool spa and wall-mounted fountains, a hammam, a home cinema space and a library all await your return. The vast sunny terrace of this Ultimate Luxury Chalet overlooking the valley is perfect for hours of sunbathing or pleasant family lunches. In the evening, make yourselves comfortable on the leather sofas of the lounge while warming your limbs around the large wood and stone fireplace, sipping a glass or two of one of the wines from the cellar carved into the mountain, before sitting down to a meal prepared by the chalet chef.

Make the most of the facilities and large rooms of this luxury chalet. This Ultimate Luxury Chalet sleeps 7 adults and 8 children in its 3 en suite double bedrooms, its master bedroom where you can admire the view from the bed, and its two dormitories where kids can entertain themselves with endless pillow fights. Leave everything in the capable hands of the chalet personnel: tidying, ski passes and equipment hire, organising activities... Everything is taken care of so that you can enjoy your holiday to the full.
