DESCRIPTION

Standing in a prime location in Nasserein, St Anton, Chalet St Anton is a mere 350 meters from the Nasserein Gondola. Chalet St Anton has been refurbished in a modern alpine style, featuring old wood and stone. It boasts contemporary interiors, maximising the space with high vaulted ceilings and a cosy open plan bar and lounge, all of which enhance the mountain lodge atmosphere.

Comprised of 12 ensuite bedrooms, Chalet St Anton is a great addition to St Anton for groups of friends and family. It is also perfect for corporate entertaining in St Anton. The breakfast/dining room resembles a modern twist on the traditional ‘stuberl’ where guests can enjoy freshly prepared breakfasts and cosy, relaxed evening meals expertly prepared by your dedicated chef.
