DESCRIPTION

The architecture and interior decoration of this beautiful Savoyard family chalet offer a subtle blend of old wood, stone, leather and glass. The spacious chalet Totara will delight its occupants. A large central fireplace separates the sitting area from the dining room on the main level of the chalet.

On the lower level, the huge vertical windows, facing south, bring beautiful light into the chalet and behind them a nice concealed terrace equipped with a Jacuzzi which is the promise of a bath in the middle of the preserved nature. A romantic master bedroom will seduce the parents with its en-suite bathroom.

You will enjoy numerous upscale amenities offered by the Chalet Totara. It hosts ten people in its five bedrooms. It features a private ski room, a recreation room with pool table and a tennis table, as well as a wellness area with gym and massage room.
