DESCRIPTION

From the idyllic warm waters of the all-year heated (32 °C) outdoor pool, the valley offers up spectacular views of the mountain tops. There is simply nothing better to come home to after a day out on the slopes. Together with the chalet's private spa facilities, which include an extra-large hot tub, a large sauna and a steam shower - you are spoilt for choice when it comes to relaxing those tired muscles.

Then retire to Chalet Valentine's rooftop terrace to enjoy dinner, drinks and panoramic views. Or head inside, where the large open-plan living space includes a casual lounging area before a huge feature fireplace, dining table for ten and a chic, well-appointed kitchen. Note that the chalet can be rented on a self-catered or a fully-catered basis.

Elsewhere, you'll find a cosy TV room, a retro-90's pinball machine, a table tennis table and numerous sun decks with an outdoor firepit and two barbeques between them. Each of the bedrooms are decorated in a laid-back, cosy chic; the whitewashed wood a nod to traditional chalet style, but with luxurious linens and high-tech features. The bathtub in the master en-suite is an added bonus!

Chalet Valentine is in an ideal location for enjoying all that La Tzoumaz, Verbier and the Four Valleys has to offer. The Savoleyres Gondola is a three-minute drive from the Chalet. This is Switzerland's biggest skiing area with over 400 km of pistes, so there is a run for all levels.

In the summer months, you're ideally located to enjoy numerous beautiful hiking and biking trails. The Chalet is located on Plateau de Villy which enjoys a micro-climate with over 300 sunny days a year and boasts stunning panoramic views over the Rhône valley and the Alps.
