DESCRIPTION

The architecture of this chalet is typical Savoyard: old wood covers the whole chalet, wide beams support the structure and large glazed openings frame the surrounding landscape by letting the light come in naturally.

In the huge living room, a large orange velvet fabric sofa positions itself in front of the wood and stone fireplace above which hangs a huge wooden deer head that reminds you the real spirit of this mountain chalet.

A large dark rectangular wooden table with great natural fabric seats made from Bonneval cloth, gather the occupants of the chalet around the traditional Savoyard dishes that make the region's reputation.

Enjoy spacious living areas and numerous upscale amenities offered by the ski-in/ski-out chalet Valerie. This authentic luxury chalet hosts ten people in its five bedrooms. There is a sublime master bedroom that will delight its occupants with its modern bioethanol fireplace, its bathroom en-suite and office.

On the first level of this chalet, a big outdoor Jacuzzi occupies the terrace suitable for a bathroom amid the snowy firs of the station. This luxury chalet is also equipped with a private ski room, a large swimming pool, a spa and a cinema room.
