DESCRIPTION

Set over four floors, the chalet offers spacious living and wonderful views. The entrance hall on the first floor leads into the bright living room featuring floor-to-ceiling windows, comfortable sofas and armchairs, a TV and fireplace. From here you can access the balcony and relax on sheepskin draped chairs whilst admiring the views.

Just off the living room is the open-plan dining area and kitchen. The dining table seats 10. Doors open onto a small terrace with a table and bench-style seating.

Chalet Virmadisa accommodates 10 adults and four children across six en-suite bedrooms. On the lower ground floor are two well-appointed double bedrooms and one twin/double bedroom. Each room has its own shower room and one includes a TV. Also on this level is a children's quad bunk room with a TV snug and en-suite shower room. Occupying the top floor is the master bedroom. Set under the eaves, it has a spacious en-suite shower room. The final bedroom is located in the neighbouring mazot, a small separate property less than a minute's walk from the main chalet. There is a cosy living area and a comfortable double bedroom upstairs with a shower.

Perfect for unwinding after skiing is the chalet's spa which includes a sauna, rain shower and Jacuzzi bathtub. A door leads directly to the outdoor sunken cedar hot tub where you can soak up the expansive views. Another highlight is the outdoor seating area with a fire pit and fireplace - the perfect spot to warm up with a hot chocolate or toast marshmallows.
