DESCRIPTION

Relax and Reconnect

The living areas of this luxury hilltop villa in Barbados feature an open-plan design with plenty of white, nautical blues, and contemporary black-and-white photography. A cosy breakfast nook sits beside the kitchen bar, and ceiling fans help keep the space cool while you enjoy the stunning sea views. A private cook is also available to prepare delicious meals during your stay.

The dining area seats at least eight guests and captures spectacular sunsets. Just a few steps away, enjoy cocktails by the pool, which can be heated on request. The pool is large enough for laps and has a wide ledge for sitting while enjoying canapés. Loungers can be placed in the shallow end to soak up the sun, and the relaxing fountain adds a soothing soundtrack to your afternoons.

Contemporary Comfort

Wake up to calming views from either of the main bedrooms. Elegant bamboo chairs, soft whites, and modern photography give each room a contemporary and airy feel. Both main bedrooms feature en-suite bathrooms and ample closet space. Enjoy a refreshing rain shower to start the day or use the writing desk to check emails with high-speed internet.

The third bedroom has a spacious bathroom with double sinks, mirrors, and a shower. It also includes a mounted TV, books, and reading lamps for quiet entertainment in comfort.

Wellness at Your Villa

Ascend the stairs and feel the cooling breeze waft upwards. The eclectic rope handrails guide you to the outdoors, a covered garage, and the gym. The gym is marked by a striking photo of Muhammad Ali—a perfect source of “fight for it” inspiration. It features a TV, free weights, yoga mats, exercise ball, treadmill, and more.

Start your morning with meditation by the pool or a relaxing massage beside the soothing fountain. The villa is set in a quiet neighborhood, offering privacy while still being just a short drive from beaches and the vibrant Platinum Coast. Cool Breeze, this luxury hilltop villa in Barbados, is pure tranquility.
