DESCRIPTION

Relax and Reconnect

The living areas of this luxury hilltop villa in Barbados feature an open plan design with lots of white, nautical blues and contemporary black-and-white photography. There is a bar in the kitchen with a cosy breakfast nook. The space is cooled by ceiling fans and takes advantage of the sea views. A cook is also on hand to prepare delicious meals. We love the dining area; it seats at least eight persons and captures superb sunsets. Take a few steps and enjoy cocktails by the pool (*pool can be heated*) with soothing sounds from a relaxing fountain. The pool is large enough for laps and has a wide ledge where you can sit and enjoy canapes. Loungers can be placed in the shallow end where you can soak up some sun.

Contemporary comfort

Wake up to calming views from either of the main bedrooms. Elegant bamboo chairs, soothing whites and modern photography give a contemporary look and feel. Both rooms have en suite bathrooms and ample closet space. Get ready to explore the island in comfort with all the creature comforts of home, particularly the heavenly rain shower. A writing desk offers a great place to work or check in with high-speed internet if the need arises. The final bedroom has a spacious bathroom with double sinks, mirrors and a shower. A mounted TV, books and reading lamps offer options for entertainment in comfort.

Wellness at your villa

Atop the stairs, you feel a cooling breeze wafting upwards. Use the eclectic rope handrails which lead you to the outdoors, a covered garage and the gym. You know you have arrived at the gym marked by a striking photo of Muhammad Ali. The perfect "fight for it" inspiration. The gym has a TV, free weights, yoga mats, an exercise ball, treadmill and more. We suggest you start your morning with meditation by the pool or a relaxing massage by the soothing water fountain. The neighbourhood is quiet, offers privacy and is a short drive to beaches and the excitement of the platinum coast. The Luxury Hilltop Villa in Barbados, Cool Breeze, is pure tranquility!
