DESCRIPTION

Tropical Luxury at Cool Wind

If you are searching for a premier island sanctuary, Cool Wind is an exceptional choice. This one-of-a-kind luxury villa in Barbados is designed for those who love to entertain in style. The heart of the outdoor space is an expansive pool deck featuring ample seating for all your guests. For the ultimate Caribbean experience, the property includes a formal bar complete with an ice machine and—uniquely—draft Banks Beer on tap. Adjacent to the bar, you will find a professional BBQ and a charming gazebo for outdoor dining. Because the villa is positioned to catch the refreshing coastal breezes, the terrace remains comfortable throughout the day. Consequently, it is the perfect spot for hosting sun-drenched lunches or elegant evening soirées.

Sophisticated Suites and Private Guest Quarters

The sleeping quarters at this magnificent home are built for ultimate luxury and flexibility across two levels. On the upper level, Cool Wind offers three grand king-sized suites. Each of these rooms features a private en-suite bathroom and full air-conditioning to ensure a restful night's sleep. The master suite is particularly impressive, boasting a dedicated walk-in dressing room. Furthermore, the villa includes a separate, self-contained suite on the ground level. This private area comprises one queen bedroom and one twin bedroom, both with their own en-suites. These rooms are separated by a cozy living area with a queen-sized sofa bed and a convenient galley kitchen. This layout is ideal for families with children or guests who prefer a bit more independence.

Beyond the bedrooms, the interior of the villa is packed with high-end amenities. There is a fully equipped, air-conditioned gym for those who wish to maintain their fitness routine while on holiday. For relaxation, you can retreat to the additional air-conditioned TV room or enjoy a meal on the intimate dining patio. The spacious kitchen is a chef's delight, featuring a large breakfast bar that serves as a natural gathering point for morning coffee. Every detail, from the high-end finishes to the thoughtful floor plan, reflects a commitment to unparalleled quality.

Elite Amenities and West Coast Access

Guests of Cool Wind will benefit from a secure and private environment while remaining close to the best of Barbados. You are only a short drive away from the luxury shopping and world-class dining found in Holetown. You can spend your days snorkeling in the turquoise waters of the West Coast or exploring nearby championship golf courses. Because the property is so well-equipped with its own bar, gym, and multiple social zones, you may find it difficult to leave the villa at all.

To ensure your stay is completely stress-free, the property is maintained to the highest standards. Whether you are lounging by the pool or enjoying a cold beer at your private bar, the atmosphere is one of total relaxation. In summary, this property provides a perfect combination of modern interior design, extensive entertainment facilities, and a flexible bedroom configuration.
