DESCRIPTION

Snorkel your own 500 metres of coastline, meander through nature trails, run right into the sea view at the beach gym and there's a yoga pavilion, we can send over gurus to guide you. A mangrove boardwalk leads to the furthest tip of your property, 'The Lookout', with its own funky bar and dining area, and second infinity pool. Lounge late around the fire pit watching sparks fly up into the Caribbean night sky.

Breeze and light flow through the spacious main great room, infusing all with a sense of health and vitality. With a name like 'Delphis' ancient Greek for 'dolphin' a chic modern take on Greek antiquity is carried throughout the home. Sleeping pavilions are nestled in palm groves so friends and family can find seclusion; the interior of each is uniquely decorated to reflect its name - Apollo, Neptune, Salacia, Venus and Minerva.
